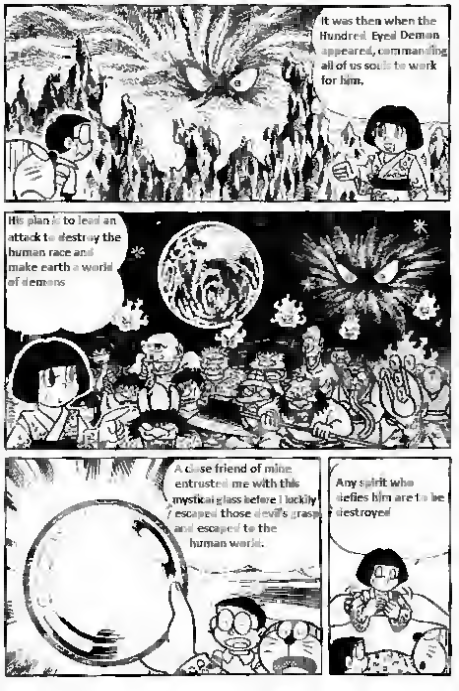
So how is she?
This is weird.
I wonder where she's from
Wearing a kimono in this day and age is a little unusual
Yet I still can't figure out how she's ill
I tried using the diagnosis machine as best I could
and see what they can do
Give up! Let's just call my friends over
But how can that be?
Not even the magical remedy was any help
Wow! The Phone-booth of Time
TU-U-U-U-T
Hello! It's me Doraemon! Now can I ask a favor of you guys?

Awesome! All seven of the robot cats are here!
You all staying fit?
Hello everyone!
Hey Dorael Long time no see!
I studied it from china
Herbal medicine should do well to treat this illness
GRUR GRUR
Anything you can do Wangdora?
So this is the kid?

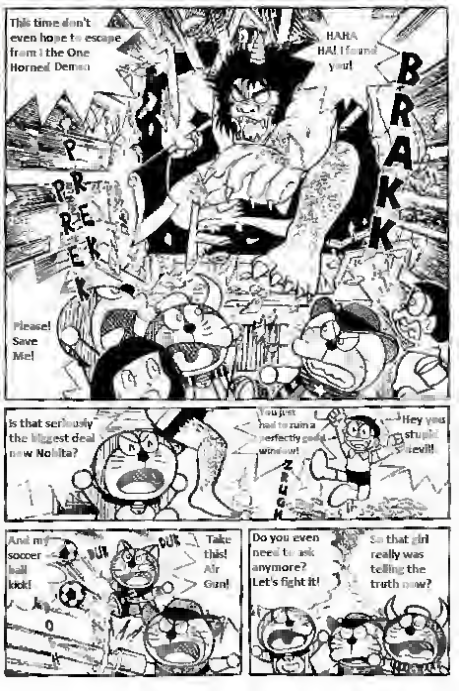
Wangiora makes a great doctor doesn't he?
Oh she's awake now!
Where am I?
hm... hm
Really, don't mention it!
Been done for.
Why thank you so much! Without you I would have
I found you unconscious in the forest and thought my place would be safer
and welcome to my house
Hi I'm Nobita
Okay, the truth is... I'm a-
Well you haven't tried telling so who knows?
Sorry, I'm afraid you won't even believe me.
But who exactly are you?

But... what's a zashiki-warashi?
A Zashiki-warashi for real?
WHA?
I'm a Zashiki-warashi
So to put it simply, she's a ghost!
They are the souls of those who died young, usually residing in houses of caring families and bring them good fortune.
Shhh! Will you keep it down over there?
I had a funny feeling from the beginning
We're all seeing dead people now... creepy.
Well... it all started about half a year ago...
But what were you doing in the forest back there?
Oh don't mind them hehehe



It was then when the Hundred Eyed Deman appeared, commanding all of us souls to work for him.
His plan is to lead an attack to destroy the human race and make earth a world of demons
A close friend of mine entrusted me with this mystical glass before I luckily escaped those devil's grasp and escaped to the human world.
Any spirit who defies him are to be destroyed!

He wished he'd let me and I could easily escape due to the sun rise.
Though recently, I wasn't as fortunate when the One Horned Demon had spotted me
Well of course! You don't think ghosts can have moral standards too?
between good ghosts and evil ghosts?
So let me get this straight! This is basically a fight
No! It's night time! which means the One Horned Demon is-
ZRUGH
Those are some loud footsteps
ZRUGH
ZRUGH
ZRUGH
Those who were good in life become good ghosts and vice versa
Ghosts were once humans after all
ZRUGH!
So what would we do if she's lying?
I really think she's telling the truth



This time don't even hope to escape from the One Horned Demon
HAHA HA! I found you!
BRAKK
PRRE EK K
Please! Save Me!
Is that seriously the biggest deal now Nobita?
You just had to ruin a perfectly good wish-out
ZRUGH
Hey you stupid devil!
And my soccer ball kick!
DUR
DUR
Take this! Air Gun!
Do you even need to ask anymore? Let's fight it!
So that girl really was telling the truth now?

HE-YAAA!
No good! We can't damage him at all?
HAHA HA! Your weapons are useless against me!
DOSH
DOSH
DOSH
But how? Against shots this powerful?
Not even Wangdora's kung fu can do us any good!
TOLONG AKU
BUUUN
Turn the devil into a hideous frog!
ABRA KADABRA
No worries! My magic should get this under control!
But how can that be?
This kind of demon doesn't fear any mortal weapon!
It Really is useless
Help guys! My magic can't even affect him!
HAHA HA! And turn you into a mouse!
PYONG
PYONG

I don't think we can stall him for another ten hours!
Okay, so it's eight at night...
Can melt them in an instant!
This kind of demon has only one weakness, Sunlight! A single glint of the sun
Let's just hope we'll last!
DOSH
DUK
DOSH
DUK
Well our only option is to try and hold him off until then!
Damn that selfish coward!
You can't really be abandoning your friends are you?
There's something I need to do in Brazil!
How can you leave at such a time Dora-rinho?
Sorry! Gotta go!

WHUZZ
It's over! Goodbye All!
No! Not my horns!
The rest of us keep at it!
Stay alive? Good idea!
It's useless! Let's retreat!
SUN
No! A dead end!
How about we play some more in the spirit world?
HAHA HA! After I kill you now

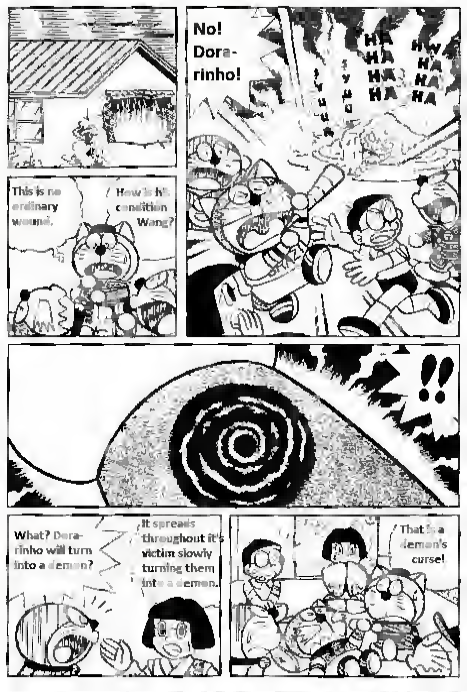
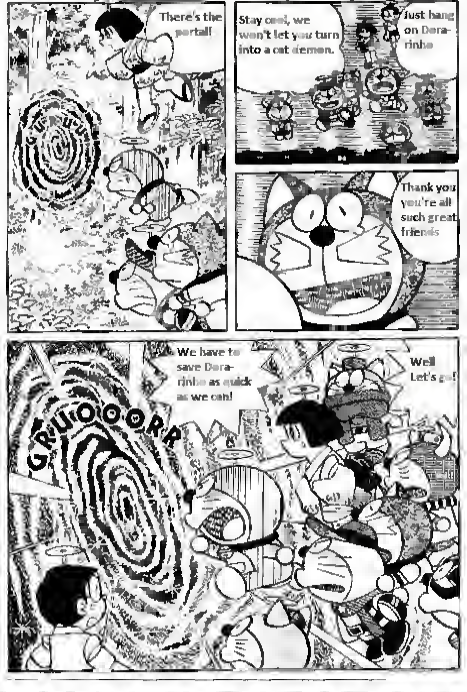
Dora-rinha!
SHAZA
Yay! It worked!
What just happened?
No worries pal!
Sorry for calling you a coward a while back.
Wow! Pretty clever Dora-rinha!
The shortcut hoop to send the sunlight to the other side of the world which is Japan
You see! Since it's daylight in Brazil, I was able to use
JEPANG
BRAZIL
Sorry, I got too scared I even wet myself.
Look out!
ZASH



No! Dora-rinho!
HA HA HA HA
HA HA HA HA
This is no ordinary wound.
How is his condition Wang?
!!
What? Dora-rinho will turn into a demon?
It spreads throughout it's victim slowly turning them into a demon.
That is a demon's curse!

but only within the first three days. After that, the curse will consume him turning Dora-rinho into a demon permanently.
Within the castle of the Hundred Eyed Devil there is a well and drinking from it should reverse the curse.
Yes, but it's very dangerous.
Is there any way to save him?
But that doesn't even compare to leaving with your good health and sanity.
Once entered it's anything but easy to escape the spirit world.
Are you certain?
Then we have no time to waste!
Just show us the way to the Hundred Eyed Demon's Castle!
To save Dora-rinho, we'll even dive into the darkest corners of hell!
Is that anything to fear?



There's the portal!
GRUUUU
Stay cool, we won't let you turn into a cat demon.
Just hang on Dorarinha
Thank you you're all such great friends
We have to save Dorarinha as quick as we can!
Well Let's go!
